

Leadership Development for Professionals

An 11-Week Training Program

Price: \$2,200

This course is designed to equip professionals with the essential leadership skills needed to lead teams and organizations effectively. Through theoretical frameworks, practical exercises, and real-world case studies, participants will develop a deep understanding of leadership principles, self-awareness, and strategies for motivating and inspiring others.

Week 1: Introduction to Leadership

- Session 1: Overview of Leadership Theories
- Session 2: Leadership vs. Management
- Session 3: Personal Leadership Assessments

Week 2: Self-Awareness and Emotional Intelligence

- Session 1: Understanding Emotional Intelligence (EI)
- Session 2: Self-Awareness Exercises
- Session 3: Building EI in Leadership

Week 3: Leadership Styles and Strategies

- Session 1: Transformational vs. Transactional Leadership
- Session 2: Situational Leadership
- Session 3: Adaptive Leadership

Week 4: Communication Skills for Leaders

- Session 1: Effective Communication Techniques
- Session 2: Active Listening
- Session 3: Public Speaking and Presentation Skills

Week 5: Conflict Resolution and Negotiation

- Session 1: Conflict Management Strategies
- Session 2: Negotiation Techniques
- Session 3: Role-Playing Scenarios
